Office Memorandum • UNITED STATES GOVERNMENTTO : Acting Chief
25X1A

DATE: 30 September 1946

FROM [REDACTED]

SUBJECT: Summary of Activities and Accomplishments of Past Week, and Statement of Projects Continuing Uncompleted.

Reference: Your memorandum on subject, dated 16 September 1946.

1. Washington Document Center. ONI has completed detailed proposal that CIG take over. Forwarding letter to this plan was prepared for signatures of both D of NI and D of MI. The former has signed and I understand the paper was taken to MID last Friday to obtain the latter's signature. ONI would like CIG to take over prior to 1 December to provide as early an opportunity as possible to consider individual personnel who would be discharged prior to that date unless steps were taken for their employment in civilian status. ONI points out that although they desire to assist in every way possible they cannot guarantee being able to hold either present space or personnel available to CIG, and therefore solicit CIG aid at present.

2. USSBS Files. Meeting held. Arrangements made for files to be transferred to National Archives, but this cannot be accomplished until at least 1 January since USSBS indexing project now underway will not be completed until then.

3. Dissemination and 2nd Collection Meetings. Attendance only.

4. Meeting with SWNCC Representative. Attendance only.

5. Deputy Assistant Director for R&E. ONI is requesting Bureau of Personnel to make Captain McCollum available without orders pending his meeting Mr. Huddle, who expressed his willingness to plan.

6. SWNCC Security Advisory Board. Mr. Lay is contacting SWNCC secretariat to propose formal SWNCC initiation for CIG to take over the SAB. [REDACTED] is preparing proposed NIA directive accepting SAB from SWNCC.
